

P E T I T I O N - 22 NOVEMBER 2017

We the residents of Bassonia, Glenvista and Mulbarton hereby petition the Johannesburg Metropolitan Municipality (Development Planning) as well as the developer and demand that the proposed development proposed to be undertaken, namely Residential and educational development on Erven 1793 & 1794, Glenvista Extension 3, Johannesburg and any other development proposed to be erected thereat be stopped due to the reasons set out in the letter of objection annexed hereto as annexure "A". Failure to act on this petition within 30 days of it being submitted may result in an interdict being sought against the developer and the Johannesburg Metropolitan Municipality for an order interdicting the further development until such time as a full environmental assessment, environmental impact, traffic impact and procedure followed for the approval of the development has been undertaken.
